

The Grace of God Magnified: An Experimental Tract (Classic Reprint) (Paperback)

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

THE GRACE OF GOD MAGNIFIED: AN EXPERIMENTAL TRACT (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Grace of God Magnified: An Experimental Tract The precious work of grace in my soul, wrought by the Holy Spirit, and detailed in the following pages, was completed in June, 1851. Up to this time, I have related it to but few persons. I purposely concealed it, lest any man should think of me above that which he seeth me to be, or that he heareth of me. But the few to whom I have ventured to detail it, uniformly suggested its publication in some form. The passage, When thou art converted, strengthen thy brethren, was often suggested as a reason; but no permanent impression was made on my mind to give it publicity, till May 1856, when I mentioned the subject to a friend, whose judgment I greatly respect, in a letter. He responded, Write it out, by all means; - publish it. It will do good to souls, and lead to a deeper tone of piety. Prompted by such encouragement, and influenced by the motives presented in this extract, I commenced the narrative; and at intervals, from pressing engagements, have completed it; and now I present it to God s people, hoping it may aid them in their pilgrimage. It claims no literary merit; of its defects in that regard, I am fully aware. I have written it plainly, for all classes. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In...
