The world is at war against things that slink and gibber in the darkness, and titans that stride from world to world, sewing madness and death. War has existed in one form or another since the dawn of human civilization, and before then, Elder terrors battled it out across this planet and this known universe in ways unimaginable. It has always been a losing battle for our side since time began. Incidents like the Innsmouth raid, chronicled by H.P. Lovecraft, mere blips of victory against an insurmountable foe. Still we fight, against these incredible odds, in an unending nightmare, we fight, and why? For victory, for land, for a political ideal? No, mankind fights for survival. Our authors, John Shirley, Mark Rainey, Wilum Pugmire, William Meikle, Tim Curran, Jeffrey Thomas and many others have gathered here to share war stories from the eternal struggle against the darkness. This book chronicles these desperate battles from across the ages, including Roman Britain, The American Civil War, World War Two, The Vietnam Conflict, and even into the far future.
