For instance, HHS has not estimated improper payments for the Medicaid program, which had 108 billion in federal outlays for fiscal year 1999. However, in recent work, we have concluded that the size and structure of this program makes it inherently vulnerable to exploitation. The defendants pled guilty, paid fines and restitution, and received probation. (Source: Georgia State Health Care Fraud Control Unit) Misrepresentation - A woman who never attended, graduated, or received a degree from a nursing school, presented a false nursing license to several nursing homes that employed her for at least 5 years....
