At a definite date, some nineteen hundred years ago, there came into this stream of traditional culture a new current from another source, originating with another race, developed to full maturity along other lines and under different conditions; and this current has blended with the original stream of our civilization and produced our modern world. The channel by which this current came to us is the Bible. The Bible is the record of those revelations which at sundry times and divers manners God gave to the descendants of Abraham - the Hebrew race. In the development of the human race, God assigned to different nations special tasks by which they achieved renown and made their contributions...
