Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Elenor Koch PhD)

THE DREAM ENDURES: CALIFORNIA ENTERS THE 1940S

Oxford University Press, USA. Hardcover. Book Condition: New. Hardcover. 512 pages. Dimensions: 9.6in. x 6.4in. x 1.6in. What we now call the good life first appeared in California during the 1930s. Motels, home trailers, drive-ins, barbecues, beach life and surfing, sports from polo and tennis and golf to mountain climbing and skiing, sportswear (a word coined at the time), and sun suits were all a part of the good life--perhaps California's most distinctive influence of the 1930s. In *The Dream Endures*, Kevin Starr shows how the good life prospered in California--in pursuits such as film, fiction, leisure, and architecture--and helped to define American culture and society then and for years to come. Starr previously chronicled how Californians absorbed the thousand natural shocks of the Great Depression--unemployment, strikes, Communist agitation, reactionary conspiracies--in *Endangered Dreams*, the fourth volume of his classic history of California. In *The Dream Endures*, Starr reveals the other side of the picture, examining the newly important places where the good life flourished, like Los Angeles (where Hollywood lived), Palm Springs (where Hollywood vacationed), San Diego (where the Navy went), the California Institute of Technology in Pasadena (where Einstein went and changed his view of the universe), and college towns like Berkeley. We read about the rich urban life of San Francisco and Los Angeles, and in newly important communities like Carmel and San Simeon, the home of William Randolph Hearst, where, each Thursday afternoon, automobiles packed with Hollywood celebrities would arrive from Southern California for the long weekend at Hearst Castle. The 1930s were the heyday of the Hollywood studios, and Starr brilliantly captures Hollywood films and the society that surrounded the studios. Starr offers an astute discussion of the European refugees who arrived in Hollywood during the period: prominent European film actors and artists and the creative refugees...
