Reviews

This publication is worth getting. it was writtern really flawlessly and valuable. Its been designed in an exceedingly easy way and is particularly only right after i finished reading this ebook through which in fact altered me, affect the way i believe.

(Lester Ebert)

I SAID YES TO EVERYTHING: A MEMOIR

Blue Rider Press, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "The elegant theater and screen actress bares all of her insecurities and regrets. But there's also an intimacy and directness in how she shares including numerous dishy, behind-the-glam anecdotes. Grant has lived a long, full life. While she may prefer to be coy about precisely how long it's lasted so far, *I Said Yes to Everything* serves as evidence that it's been long enough to give her a meaty, multifaceted and compelling story to tell." Jen Chaney, *The Washington Post* "[N] o-holds-barred. Grant doesn't make us read between the lines here; it's all right there, on the page. When she was jubilant after winning an Oscar for her supporting role in *Shampoo*, we know it; when she was disgusted, as when a television network canceled her series without telling her, we know it, too; and, of course, when she was dismayed and bewildered and depressed when she couldn't find work during her 12-year blacklisting, we know it for sure. An excellent show-business autobiography. Booklist, STARRED review "In this wonderful memoir, actor Grant charts her life from a childhood in New York City through her performance in *Shampoo* and beyond. Whether recalling the traumas of her first marriage to screenwriter Arnold Manoff or sharing entertaining memories of her famous friends, Grant does so with a with a lively, approachable tone. Though famous for her achievements as a multi-award winning actor, director, and documentarian, Grant reveals herself to be woman unafraid of continual self-reinvention. These pages tell a gripping story full of drama, humor, and hardship, offering an intimate look into the singular life of one indefatigable protagonist." *Publishers Weekly* "[T]he resilience of [Lee Grant's] career outlasted the 12-year period when she was blacklisted by HUAC for her..."
