Infinity Publishing. Paperback. Book Condition: New. Paperback. 262 pages. Dimensions: 8.5in. x 5.5in. x 0.6in. A continuation of the concept first born in this authors first book of poetic prose, Rainbows of Reality is a book that takes on a new voice and rediscovers issues often thought of, yet rarely discussed. No holds barred! No shields present! Rainbows of Reality is open, honest, fresh and deals with modern times and modern issues, which all persons can relate to: the words that strong men feel yet seldom find the courage to share; the pains that women feel, unveiled; the happiness, joys, pains and anguish that life and living employ, with as much realism and straight forwardness as possible. Rainbows of Reality offers topics of our lives to be discussed and felt over and over again. It is a book that the whole family can enjoy; and persons from every walk of life can learn from, yet each shall be left to feel and explore in their own private and personal ways the deep thoughts that these topics address. From A Return to the Tears Ive Shed in the section on Death; to Thug Love in the section on Sex, Rainbows of Reality attempts to keep it raw and real! Compared with Dr. Maya Angelou for its style, Mr. Tupac Shakur for its depth, and other renowned personalities for its strength of spirit, Rainbows of Reality, like Topics of Life before it, finds compliment in its very comparison as does the author himself. So, judge for yourself the spirit and depth of what you find within, and if you should think the work is weak, then toss it in a bin. But if you should find a message inside which reaches and teaches you truth, then truly explore and let the message go...
