Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Old Piano As several thousand original works are now published each year, it is plain that to preface each one with a few words of introductory extenuation, is a custom of no decadent merit. A public gathering will always enjoy a novelty in the form of entertainment, but to remain in favor the novelty must be continually renewed. As Mr. Gould s story, telling of New England village life before the war seems to grow most in favor in those localities where it has been repeatedly given, it would indicate that he has achieved something more than a novelty, and that The Old Piano owes its popularity to the rarer merit of being interestingly and pleasingly commonplace. Mr. Gould s monologue, given for several years past under the management of the Chicago and Lyceum lecture bureaus, has brought frequent requests for some permanent souvenir of the entertainment, and this certainly in some degree justifies this edition. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
