Living with guilt is the worst feeling in the world. . . . Ley Moore (now Jared) and Willie Ramsey were teenage sweethearts, bound to marry and start a new life together; but, they lived in two different states. She in New York and he in New Jersey. They both had to, constantly sneak away to see the other behind their parents back and without permission. Until, Willie stopped coming around leading Ley to believe he did not want her anymore. Left feeling lonely, she let herself be seduced by another young guy, Andrew Jared, becoming pregnant at 17. Being a pregnant teenager was considered taboo back then (well according to her old fashioned parents) and made to marry the father of her unborn child leaving everything behind including her heart. Now at 46, a career woman, wife, and mother of two adult sons, she still carries the guilt of leaving her relationship with Willie open-ended. Living in Georgia, she embarks in a search, to find her childhood love to explain the circumstances that led her to marry another man. Only to find Willie living in another city of New Jersey with a family of his own. . . 22 years later! As they carry on written email communications on a daily basis about their marital problems, they find out they still carried a torch for each another, taking them to an adventure they thought would never happen. But time can only tell if this could be their Loves Second Chance. . . This item ships from La Vergne, TN. Paperback.
