## POST-ROMANTIC STRESS DISORDER: WHAT TO DO WHEN THE HONEYMOON IS OVER

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. John Bradshaw is arguably the most accomplished and well-known leader alive today in the addictions field. He taught us about functional and dysfunctional families, showed us how shame could become toxic and poisonous to our core selves, and helped us understand and heal the wounded, vulnerable inner child conceived by, and thriving in, that environment. In Post-Romantic Stress Disorder (PRSD), Bradshaw gives readers a clear explanation of the difference between falling in love, lust, and true love. Based on his research, PRSD is a deeply serious psychological disorder and the cause of 40 of all divorces - divorces that could have been prevented. Every day people throw away perfectly good relationships because they just don't know how to navigate the tides, but if they could learn and understand the concepts Bradshaw presents in this book, the portrait of the family unit could have a whole new landscape. Join this great teacher as he opens the gates to a new frontier, tackling issues that threaten and endanger so many modern relationships. Be encouraged as he leads the way to a deeper and more fulfilling spiritual union. As he so eruditely observed some time ago, As the health of the marriage goes, so goes the health of the family. Yet Bradshaw ladles out hope unlimited - if parents could restore a deep, authentic love for each other it could be passed on to their children and families would actually flourish.
