

Bradman in Wisden (Hardback)

Filesize: 1.04 MB

Reviews

Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

BRADMAN IN WISDEN (HARDBACK)

DOWNLOAD

HARDIE GRANT BOOKS, Australia, 2008. Hardback. Book Condition: New. 240 x 158 mm. Language: English . Brand New Book. Bradman and Wisden are two names synonymous with cricket. More than that, they have in their unique ways entered the English language as shorthand for statistical achievements, records and authority. However, Sir Donald Bradman s cricketing career was more about run-making and Wisden Cricketers Almanack has always been more than a record book. Bradman in Wisden gives the scores of Sir Donald s 234 first-class games, his 52 Test Matches for Australia and minor matches played on four tours of England. But these give only part of his story. Essays and match reports in Wisden s idiosyncratic, time-encapsulating style, together with some impressive photography, bring to life his many triumphs as a cricketer, a captain and a great sportsman. All the feature articles about Bradman that have appeared in Wisden over the past eighty years are included, including his definitive obituary. Between them, they tell why, seven years after his death, he remains an Australian hero, a cricket icon and a sporting legend. The book also contains articles which Bradman himself wrote in Wisden. Published to coincide with the 100th anniversary of Bradman s birth, Bradman in Wisden - edited by Graeme Wright - is an updated and expanded version of Wisden on Bradman which was published in 1998.
