Reviews

Most of these ebook is the perfect publication offered. Sure, it really is play, still an interesting and amazing literature. You wont truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me).

International Marine/Ragged Mountain Press. Paperback. Book Condition: New. Paperback. 112 pages. Dimensions: 8.3in. x 5.4in. x 0.3in. There is deep mystery and profound satisfaction in finding your position on earth by reference to the sun, moon, and stars--not to mention profound relief when the GPS receiver stops working in mid-passage. That is why knowledge of celestial navigation is still a rite of initiation, and its practice still a favorite pastime among serious cruisers. That this edition of Celestial Navigation for Yachtsmen should appear 44 years after the first British edition and 27 years after its first publication in the U. S. is eloquent testimony to the authors clear, concise explanation of a difficult skill. Through those years, Celestial Navigation for Yachtsmen has been the best-known, best-loved primer on the subject throughout the English-speaking world. It successfully teaches sailors who have been demoralized by bigger books. It remains the famous little book on celestial navigation. Among other changes, this edition substitutes the Nautical Almanac for the Air Almanac, discusses the short tables based on H. O. 211, expands the discussion in a few areas, fine-tunes it in others, and shows how to advance a line of position for a running fix from sun sights. The only mathematics involved are straightforward addition and subtraction. Celestial Navigation for Yachtsmen has spawned many imitators over the years, but its still the best--with this new edition more than ever. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
