Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1908 edition. Excerpt: . . . NOTE. The EssayB here presented form a further selection from Schopenhauers Parerga, brought together under a title which is not to be found in the original, and does not claim to apply to every chapter in the volume. The first essay is, in the main, a rendering of the philosophers remarks under the heading of NachtrUge zur Lekre vom Leiden der Welt, together with certain parts of another section entitled Nachtrage zur Lehre von der Bejahung und Verneinung des Willens zum Leben. Such omissions as I have made are directed chiefly by the desire to avoid repeating arguments already familiar to readers of the other volumes in this series. The Dialogue on Immortality sums up views expressed at length in the philosophers chief work, and treated again in the Parerga. The Psychological Observations in this and the previous volume practically exhaust the chapter of the original which bears this title. The essay on Women must not be taken in jest. It expresses Schopenhauers serious convictions; and, as a penetrating observer of the faults of humanity, he may be allowed a hearing on a question which is just now receiving a good deal of attention among us. T. B. and ON THE SUFFERINGS OF THE WORLD. Unless suffering is the direct and immediate object of life, our existence must entirely fail of its aim. It is absurd to look upon the enormous amount of pain that abounds everywhere in the world, and originates in needs...
