*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Carcenet Press Ltd. Paperback. Book Condition: new. BRAND NEW, Can Dentists Be Trusted?, Martina Evans, Martina Evans' third collection of poems begins and ends in the dentist's chair. In between come stories ranging from an Irish childhood to present-day London, featuring voices from the poet's own to those of her family, her cat, and a supporting cast of hectoring lawyers, born bores and rambling mothers. Evans combines a novelist's gift for creating compelling narratives and capturing conversational idiosyncracies with a poet's ability to condense and refine, making "Can Dentists Be Trusted?" a book that will delight the many who enjoyed its acclaimed predecessor "All Alcoholics Are Charmers" (1998).
