

Our Rarer British Breeding Birds; Their Nests, Eggs and Summer Haunts (Paperback)

By Richard Kearton

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1899 Excerpt: .and hides it; the centre of a bunch of rushes, or under a tuft of heather. Personally, I have only seen it in situations of the two former kinds. It is very sparingly lined with a few blades of dead grass. The bird has a habit of scratching out several spare nesting-sites not far from the one adopted. When placed amongst an abundant growth of coarse marsh grass, the nest is not easy to find, and the best plan for the student to adopt is to go out early in the morning, when a heavy dew will invariably enable him to trace its whereabouts. The eggs, four in number, are easily distinguished by their buff ground colour and bold markings. ROCK DOVE. Whilst in the Hebrides last summer, I was, during a spell of calm weather, able to explore several caves on the Atlantic seaboard and...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
