Createspace, United States, 2014. Paperback. Book Condition: New. large type edition. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It was the last house in Beauchamp Row, and it stood several rods away from its nearest neighbor. It was a pretty house in the daytime, but owing to its deep, sloping roof and small bediamonded windows it had a lonesome look at night, notwithstanding the crimson hall-light which shone through the leaves of its vine-covered doorway. Ned Chivers lived in it with his six months married bride, and as he was both a busy fellow and a gay one there were many evenings when pretty Letty Chivers sat alone until near midnight. She was of an uncomplaining spirit, however, and said little, though there were times when; both the day and evening seemed very long and married life not altogether the paradise she had expected.
