

The Confederate First Reader: Containing Selections in Prose and Poetry, as Reading Exercises for the Younger Children in the Schools and Families of the Confederate States (Paperback)

By R M Smith

Createspace, United States, 2012. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.This book has been compiled and prepared for the use of children who may have mastered the reading lessons of the spelling-book. It is more particularly designed as an immediate successor, in this respect, to the Confederate Spelling Book, which has been so extensively adopted in the schools of the Confederate States. The pieces have been selected with a view to interest and instruct the pupils, and at the same time to elevate their ideas, form correct tastes, and instil proper sentiments. Whatever seems most desirable for these purposes, among the literary materials that have become public property, has been freely appropriated; suitable articles neither being rejected because familiar to adults, nor novelty sought for its own sake. At the same time, the selections have, by no means, been confined to the hackneyed list. It is believed that the exercises thus chosen, are well adapted to the capacity of those for whom they are designed, and will afford them much more real pleasure, as well as improvement, than the frivolous sentences which some suppose to be the best...

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Brennan Koelpin**

Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
