This book was created for business-to-business (B2B) marketing professionals who need to move quickly towards a marketing mix that now includes social media. Using a combination of proven best practices and real-world stories, the authors describe how to maximize your return on investment with Facebook, YouTube, LinkedIn, and other popular online channels. The focus is on how to engage more effectively with your customers and prospects using social media. The phased approach used in the book enables you to make steady progress as you move into social media without getting overwhelmed by too many options. Instead, the book makes it easy to...
