Kregel Publications,U.S. Paperback / softback. Book Condition: new. BRAND NEW, Philippians: Discovering Joy Through Relationship, Sue Edwards, A "how-to" study for finding joy in authentic relationships and community Women long for healthy, deep relationships with those around them. Knowing what those look like can be tricky, however. Where do we go to seek them? How can we approach them? How can we maintain those relationships, despite our own weaknesses? Sue Edwards is happy to lead the way through Scripture to discover and maintain beloved, organic friendships. Paul's letter to early Christians is an ideal place to find these answers. This short letter highlights the skills that strengthen authentic connections--skills like trust, humility, healthy self-sacrifice, a generous spirit, and more. It also sheds light on how to overcome toxic connection-killers like envy, comparison, and critical attitudes. Philipians: Discovering Joy Through Relationship works its way through Paul's words as a model for deep, authentic community and healthy relationships between believers. When readers reach the end, they'll have a thorough sense of the content of this ancient letter, and of its relevance for today. Although Paul was under house arrest, he was able to draw joy from his relationships, and we can do the same, no matter our circumstances. Edwards strives to ensure that this Bible study will do more than transfer intellectual information; it will also transform hearts and inspire practice and application.
