

The Dark Face of Heaven: True Stories of Transcendence Through Trauma (Paperback)

By Janet Elizabeth Colli

Createspace, United States, 2014. Paperback. Book Condition: New. Large Print. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. How do so many of us transcend trauma? Trauma can initiate transformation, and trigger a natural evolutionary dynamic. Trauma can transport us into otherworldly realms that help us heal. Yet while these revolutionary findings are often overlooked, transformative experience is a vital part of the psychology of the future. Dr. Janet Colli presents compelling stories of spiritual awakening, out-of-body experiences (OBEs), lucid dreams, and near-death experiences (NDEs)-revealed during trauma therapy. Those who experience a dark night of the soul often develop special awareness or enhanced perceptual abilities. Trauma may be a portal to a biologically-based transformation of the human personality. Yet such growth or transformation is a natural evolutionary process anyone can access. Dr. Colli's transpersonal case stories chronicle the healing of cancer, panic attacks, eating disorders and sexual abuse. Consciousness transforms when our ego identity is threatened and our hearts are challenged to open. In my mid-thirties, dolphins entered my dreams. I was dying from cancer. My physical healing was extraordinary, states the author. Moreover, I experienced a psycho-spiritual transformation. Janet's story...
