Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

EXTERMINATORS: AN ASSASSIN BUG THRILLER (PAPERBACK)

Poisoned Pen Press, United States, 2012. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Praise for *The Exterminators*. An hysterical satire on politics, religion, Hollywood, and insects. -Tim Dorsey, author of *Electric Barracuda* A crystal-clear snapshot of the absurd times in which we live. -Steve Brewer, author of *The Big Wink* All Bob Dillon ever wanted was a truck with a big fiberglass bug on the roof. All he had to do was survive a half dozen assassination attempts, pull a ten million dollar con on a Bolivian drug lord, and then fall off the face of the earth with his family and his new best friend, Klaus. Six years later, they've surfaced in Oregon where they are continuing to work on an all-natural means of pest control. Bob and Klaus are using advanced gene sequencers to consolidate the perfect insect-killing traits into one deadly bug. But all this serious DNA tampering is expensive and they're running low on funds. But who will invest? The interested outfit turns out to be a front for an agency of the Department of Defense, and they want to enlist Bob, Klaus, and the bugs in the War on Terror. Things go swimmingly until that Bolivian drug lord discovers he was conned: he offers twenty million to whomever kills Bob and Klaus. Some of the world's best assassins descend on Hollywood and the weirdness reaches an apocalyptic level. Bill Fitzhugh is the award-winning author of eight satiric crime novels. The *New York Times* called him a strange and deadly amalgam of screenwriter and comic novelist. His facility and wit, and his taste for the perverse, put him in a league with Carl Hiaasen and Elmore Leonard.
