Hilary had always thought she'd lived a charmed life. With a caring husband, David, and two lively children, she took an active part in both family and village life. Then, one Monday morning, Hilary's world is turned upside down. She discovers that David is having an affair. How could he? How could he put at risk their children and everything they have built together over the years? The question is, what should Hilary do? Turn a blind eye, much as neighbour Cindy has done over her own husband's various dalliances? Confront him, as her outspoken new friend Georgia suggests? Or perhaps she should throw herself at attractive newcomer to the village Nick Bradshaw. Whatever happens, it seems certain that for Hilary, life is never going to be quite the same again. book.
