Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The book of IF by David Fesler bears a close resemblance to the life of this author. IF you like History then couple the book with some Romantic Paranormal and you have one of the most famous couples in history; Joseph and Theodosia Burr Alston. The time period is today: and yesterday in the university town of Iowa City. While I may have painted a nicer picture than it really was, I have my reasons. Certainly today makes 1969 look like 1955 and the first episode of Captain Kangaroo. It would help the Republicans understand the Democrat wins. It should help a Democrat understand why we need a balanced two party system. Buy the book for someone who lost their job before they jump off a ten story building, rather than jump over it. Timothy never could get Lisa out of his mind as she reminded him of not only an old girl friend but of a missing girl he had invented in a game called the Black Shadows. Keep in mind when reading this book that the game was invented by an eight year old boy. While Timothy is a skeptic he has constantly reviewed his life as that eight year old boy and found logical coincidences in the Black Shadow game such as picking a plastic Thomas Jefferson from a set containing other Presidents. President Jefferson sending out the union troops to stop the Black Shadow Army from taking Texas long before the Alamo is only one factor that Timothy has no explanation as to why it was built into the story. The only time period the game fits into is 1805 for the Burr Expedition...
