Despite the tireless efforts of some very dangerous people, it was never recovered. For all anyone knew, it was lost forever. For all anyone knew, it was forgotten. But anyone who really believed that would be mistaken. Because the Mafia never forgets. Maggie Vargas is a social worker in the small town of Rockford, Michigan. She is smart, beautiful, and has a flair for fashion. She has a relatively simple life she adores and a job made much easier because of a special, hidden talent. Maggie Vargas is psychic. Not psychic in a big-picture, predict-the-future way, but she can see things just under the surface. Its an ability she has had ever since she was a young girl. And try as she might to keep her gift secret in this small Midwestern town, Maggie Vargass luck is about to run out. Soon, Maggie discovers she has attracted the attention of the head of the Italian Mafia, a man who long ago lost a great deal of money to Maggies own thieving grandfather. Before long, however, she meets his son, Dominic Rossi, and it isnt fear she feels when she looks into his eyes. In a whirlwind game of cat and mouse that ensues, Maggie Vargas and all her powers are put to the ultimate test. Not only must she attempt to free herself from the Mafias tightening grip, but she must reconcile the tempest of lust and romance she feels for the Adonis son of the man who just might end up killing her.
