Brand New Book ***** Print on Demand *****.Many people believe that soap-making is an intimidating process that s best left to the chemists. However, a lot of soap making books should tell you otherwise and that it is perfectly doable, easy, even fun, to make your own soaps at home. While it s true that soap making entails a fair amount of chemicals and some science, the other part of it entails experimentation on scents, oils, and textures that you can do almost freely. Unlike buying commercially-made mass-produced soaps, homemade soaps allow you to have full freedom on what goes into your very own bar. In fact, you can add as much coconut oil as you want to achieve the type of lather that you like; or just a hint of rosehip fragrance and the texture of oats against your skin. Plus, you can go as organic as you can with numerous natural soap recipes. The Soap Making Books: Guide to Making Natural Homemade Soaps is one of the soap making books that will walk you through the process of creating homemade soaps in the simplest and easiest manner. This book details simple instructions on the three processes suitable for soap making for beginners. Seasoned soap makers will also find useful tips and a number of natural soap recipes that they can explore. Soap making books like this one will help you achieve a kind of soap that you will love to use: right from its fragrance, to its lather, form and size as far as its extra benefits like whitening and moisturizing. The Soap Making Books: Guide to Making Natural Homemade Soaps lets you create soaps that reflect your personality and meet your individual...
