Global Governance: As If Communities Mattered (Paperback)

By Kristin Dawkins

Seven Stories Press, U.S., United States, 2003. Paperback. Book Condition: New. New.. 177 x 127 mm. Language: English . Brand New Book. In *Global Governance*, policy analyst Kristin Dawkins offers a refreshingly hopeful and astute roadmap towards a democratic future, framing the respective roles and accomplishments of corporations, governments, and citizen activists in light of the day-to-day needs of communities around the world. Written with an eye to the realities of power, *Global Governance* explores the origins and current state of play in the major global institutions, the rising dominance of global corporations and the growing wealth of the world's political elite. In describing the impacts of international trade, aid and development loans on Southern economies and communities, Dawkins carefully explains the way governmental policies overseas become instruments of coercion in the context of globalization. Writing with a passionate commitment to justice and democracy, Dawkins points out that the U.S. government is becoming increasingly hostile to the UN - even though many of the UN's institutions and treaties were designed to address poverty and the other problems created by globalization. At a time when the UN's very survival is being questioned, *Global Governance* is an urgent call to...

Reviews

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).
